

SEDGEFIELD ROCK AND BLUES CLUB

FULLHOUSE

PLAY FRANKIE MILLER

Some of the UK's finest musicians (all of who have recorded, toured and are long standing friends of Frankie) are determined to help to perpetuate the music of Frankie Miller and help it survive the test of time. That band are 'Fullhouse'.

The band features a stunning singer, Gregor McGregor, who like Frankie himself, hails from Glasgow; Steve Browning (David Gilmour & Pretty Things) on bass; Ray Drury (Producers) on keys; and Clive Edwards (UFO) on drums.

JOSIE FIELD DUO

South African born Josie Field is a combination of Florence and the Machine meets Janis Ian meets Aretha Franklin, Field's voice is distinct and unusual.

Her signature sound is a potent mix of lyricism and fire, heart-felt issues and tender constructions, she has a unique textured blues infused voice and soulful vocal delivery style.
